

European Patent Office, Munich

Reference LITHOFIN No. 03/2008

European Patent Office, Munich (Germany)

Building PschorrHöfe 8 covers a surface area of approx. 55.000m². A floor surface of about 3,500 m² as well as an impressive drag-staircase was done with a brushed Yellow Brazil Granite.

After installation, the surface was cleaned with **Lithofin MN Builders' Clean**. The finishing treatment was done with **Lithofin STAINSTOP ›W‹**, to make the natural stone water and oil repellent.

Project: European Patent Office
Grasserstraße
Munich, Germany

Surface: Yellow Brasil, brushed
Floor covering and stairs, approx. 3,500 m² (= 37674 ft²)

Completed by: Marmor Peter GmbH
D-87656 Germaringen
